IN RE: Application of America's Tele-Network ) ORDER  
Corp. for a Certificate of Public ) APPROVING  
Convenience and Necessity to Operate ) CERTIFICATE  
as a Reseller of Interexchange Tele- )  
communications Services within the )  
State of South Carolina. )

This matter comes before the Public Service Commission of South Carolina (the "Commission") by way of the Application of America's Tele-Network, Corp. ("ATN" or the "Company") requesting a Certificate of Public Convenience and Necessity authorizing it to operate as a reseller of intrastate long distance telecommunications services in the State of South Carolina. The Company's Application was filed pursuant to S.C. Code Ann. §58-9-280 (Supp. 1996) and the Regulations of the Public Service Commission of South Carolina.

The Commission's Executive Director instructed ATN to publish, one time, a prepared Notice of Filing in newspapers of general circulation in the affected areas. The purpose of the Notice of Filing was to inform interested parties of ATN's Application and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. ATN complied with this instruction and provided the Commission with

proof of publication of the Notice of Filing. A Petition to Intervene was received from the Consumer Advocate for the State of South Carolina (the "Consumer Advocate").<sup>1</sup>

A hearing was commenced on August 13, 1997, at 10:30 a.m., in the Commission's Hearing Room. The Honorable Guy Butler, Chairman, presided. ATN was represented by Frank R. Ellerbe, III, Esquire. Florence P. Belser, Staff Counsel, represented the Commission Staff.

John Little, President of ATN, appeared and offered testimony in support of ATN's Application. The record reveals that ATN is a corporation organized under the laws of the State of Delaware and is authorized to transact business in South Carolina as a foreign corporation by the South Carolina Secretary of State. According to Mr. Little, ATN proposes to offer long distance services using resold transmission services of underlying carriers which are duly certified by the Commission. Mr. Little explained the Company's request for authority to provide interexchange telecommunications services in South Carolina as a reseller. The record reveals the Company's services, operations and marketing procedures.

Mr. Little also explained that ATN possesses the technical, financial and managerial abilities to provide its services in South Carolina. Mr. Little testified that the Company would

After the Consumer Advocate intervened in the Docket, the Consumer Advocate subsequently notified the Commission that it was satisfied that ATN with its amended tariff complied with the Commission's Rules and Regulations. The Consumer Advocate did not participate in the hearing held on ATN's Application, nor did the Consumer Advocate oppose ATN's Application.

operate in accordance with the Commission rules, regulations, guidelines, and Commission Orders. Finally, Mr. Little offered that approval of ATN's application is in the public interest and will permit South Carolina consumers the opportunity to take advantage of ATN's competitively priced and easy to understand services.

Counsel for ATN stated that the Company agreed with suggestions from Staff regarding certain tariff provisions.

After full consideration of the applicable law, the Company's Application, and the evidence presented at the hearing, the Commission hereby issues its findings of fact and conclusions of law:

#### FINDINGS OF FACT

1. ATN is organized as a corporation under the laws of the State of Delaware and is authorized to do business as a foreign corporation in the State of South Carolina by the Secretary of State.

2. ATN operates as a non-facilities based reseller of interexchange services and wishes to provide its services in South Carolina.

3. ATN has the experience, capability, and financial resources to provide the services as described in its Application.

#### CONCLUSIONS OF LAW

1. Based on the above findings of fact, the Commission determines that a Certificate of Public Convenience and Necessity should be granted to ATN to provide intrastate interLATA service

and to originate and terminate toll traffic within the same LATA, as set forth herein, through the resale of intrastate Wide Area Telecommunications Services (WATS), Message Telecommunications Service (MTS), Foreign Exchange Service, Private Line Service, or any other services authorized for resale by tariffs of carriers approved by the Commission.

2. The Commission adopts a rate design for ATN for its resale services which includes only maximum rate levels for each tariff charge. A rate structure incorporating maximum rate levels with the flexibility for adjustment below the maximum rate levels has been previously adopted by the Commission. In Re: Application of GTE Sprint Communications Corporation, etc., Order No. 84-622, issued in Docket No. 84-10-C (August 2, 1984).

3. ATN shall not adjust its rates below the approved maximum level without notice to the Commission and to the public. ATN shall file its proposed rate changes, publish its notice of such changes, and file affidavits of publication with the Commission two weeks prior to the effective date of the changes. However, the public notice requirement is waived, and therefore not required, for reductions below the maximum cap in instances which do not affect the general body of subscribers or do not constitute a general rate reduction. In Re: Application of GTE Sprint Communications, etc., Order No. 93-638, issued in Docket No. 84-10-C (July 16, 1993). Any proposed increase in the maximum rate level reflected in the tariff which would be applicable to the general body of the Company's subscribers shall constitute a

general ratemaking proceeding and will be treated in accordance with the notice and hearing provisions of S.C. Code Ann. §58-9-540 (Supp. 1996).

4. If it has not already done so by the date of issuance of this Order, ATN shall file its revised maximum tariff and an accompanying price list within thirty (30) days of receipt of this Order. The revised tariff shall be consistent with the findings of this Order and shall be consistent with the Commission's Rules and Regulations.

5. ATN is subject to access charges pursuant to Commission Order No. 86-584, in which the Commission determined that for access purposes resellers should be treated similarly to facilities-based interexchange carriers.

6. With regard to the Company's resale of service, an end-user should be able to access another interexchange carrier or operator service provider if the end-user so desires.

7. ATN shall resell the services of only those interexchange carriers or LECs authorized to do business in South Carolina by this Commission. If ATN changes underlying carriers, it shall notify the Commission in writing.

8. With regard to the origination and termination of toll calls within the same LATA, ATN shall comply with the terms of Order No. 93-462, Order Approving Stipulation and Agreement, in Docket Nos. 92-182-C, 92-183-C, and 92-200-C (June 3, 1993).

9. ATN shall file surveillance reports on a calendar or fiscal year basis with the Commission as required by Order No.

88-178 in Docket No. 87-483-C. The proper form for these reports is indicated on Attachment A.

10. The Company shall, in compliance with Commission regulations, designate and maintain an authorized utility representative who is prepared to discuss, on a regulatory level, customer relations (complaint) matters, engineering operations, tests and repairs. In addition, the Company shall provide to the Commission in writing the name of the authorized representative to be contacted in connection with general management duties as well as emergencies which occur during non-office hours.

ATN shall file the names, addresses and telephone numbers of these representatives with the Commission within thirty (30) days of receipt of this Order. Attachment B shall be utilized for the provision of this information to the Commission. Further, the Company shall promptly notify the Commission in writing if the representatives are replaced, and the Company is directed to comply with the Commission regulations unless waived by the Commission.

11. This Order shall remain in full force and effect until further Order of the Commission.
